

## Outreach Ministry Input

- a) Locally, to lead, equip, and encourage our church family to evangelize our local community with the gospel of Jesus Christ (Mark 16:15).
- b) Globally, to lead, educate, and mobilize our church in the area of missions, as we take the gospel to our state, continent, and world (Acts 1:8).
- c) Impact the community by mobilizing our church to shine the light of Jesus Christ in our local community by serving and meeting the needs of others (Matthew 5:14-16).
- d) Creating awareness within our church of public issues in our culture and political process needing a Christian voice and action (Matthew 5:13).
- e) Expand outreach and missions ministries efforts targeting singles, varied ethnic groups, the needy, and the lost in our community. These efforts have new space implications and requirements.
- f) Provide a facility that further enhances and supports ministry to physically challenged individuals.
